

Types of Corporatism

Anarchism, being opposed to the State *in principle*, condemns all forms of corporatism, "right" or "left."

Corporatism -

the theory and practice of organizing society into special interest "corporations" subordinate to the State. [Britannica]

Types of special interests:

1. **Clan or dynasty based**
mercantilist monarchies

2. **Ethnicity-based**
race/culture/nation

3. **Religion-based**
churches/religions

4. **Firm-based**
crony corporations

5. **Class-based**
wealth/occupation
